

FREE Online Level 2 Courses

The Bedford College Group has a brand-new suite of FREE Level 2 courses that can be studied entirely from home. There are over 30 different courses available, including:

- Creating a Business Start-up
- Principles of Business Administration
- Understanding Business Improvement Techniques
- Understanding Data Protection and Data Security
- Awareness of Mental Health Problems in Children and Young People
- Mental Health First Aid and Advocacy in the Workplace
- Common Childhood Illnesses
- Common Health Conditions
- Understanding Autism
- Diabetes Awareness
- Understanding Behaviour that Challenges

If you are 19 or over and have lived in the UK or the EU for the past 3 years, all of these courses are absolutely FREE and we provide all of the online resources that you need.

These are purely online distance learning courses, with no delivered sessions. Advice and support will be available through a dedicated tutor.

To register an interest, and to find the full list of courses available, please go to <https://www.tresham.ac.uk/sectors/distance-learning/>

For information on our other courses, please go to <https://www.bedford.ac.uk/>.
