

How could my child practise their spellings each week?

Here are a variety of ideas that you may like to choose to help your child practise their spellings. We will sometimes share an activity page that you may like to complete for that particular week's spelling rule. Please do not worry if you can't print the page out, you may like to complete the tasks on your own paper, or in their spelling book (if you have requested one).

Spiral spellings

Write them in spirals!

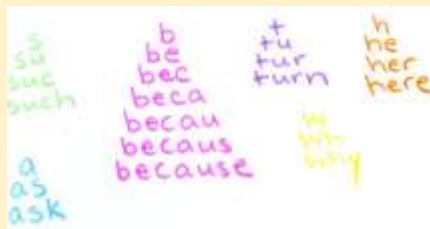

Scribble spellings

Take your pen for a walk on the page. Then fill each section with your different spellings.

Pyramid spellings

Begin with the first letter of your word, then add the next letter below, until you've written the complete word at the bottom of your pyramid.

Look, cover, write, check
