

Our topics for this half term are:

Fairy tales (2 weeks)

Chinese New Year

Night Animals (2 weeks)

The Great Pet Sale

As part of 'Science week', we will be looking at 'The Great Pet Sale' story to find out about both animals and money. We will also be having our very own 'Science day' with exciting investigations.

We will learn about different nocturnal animals and the characteristics of each one.

We will be learning about how the Chinese New Year is celebrated.

We will be having our very own Fairy tale Ball!

We will be making and tasting Pea Soup when we learn about The Princess and the Pea!
