A Christmas Celebration

Our Christmas gift to you: a few photos of children enjoying their learning across the school at Tickford Park Primary School!

Year 3 brought together English, Science and Art this week, building shadow theatres and using them to perform their own versions of Hansel and Gretel to the class.

In Year 1, the children baked Christmas cookies. They were great at following the recipe!

And the winner is...

Congratulations to Thomas, the winner of the wonderful Lego Gingerbread house in our remote Christmas Raffle.

The runner up, winning a selection of festive treats, was Alyss.

Thank you to everyone who took part in this competition. I'm delighted to be able to let you know that we raised over £200 for MK Act.

Children in Foundation Stage followed instructions to make their own snowmen. Let's hope for a white Christmas and a chance to make some real ones this holiday!

Last Friday, the children in Year 6 created their own chocolate bars. The children had fun doing it and the results were very tasty!

Christmas Charity Project

Thank you to Bella and Chase who helped to package up all of your donations ready for delivery to MK Act. The parcels have now been dropped off and we hope will provide some Christmas cheer during times of need.

Request for Jigsaws

If you are having a sort out over the Christmas holidays and find that you have some unwanted Jigsaws in good condition, our Foundation Stage team would be happy to take them off your hands.

If you are able to help in this respect, please drop the jigsaw off at the school office, or speak to one of our Foundation stage teachers. Thank you.

Spring Term 2021

We look forward to welcoming children back to school on **Tuesday 5th January 2021**.

Please don't forget that Monday 4th January is a Staff Development Day and school will be closed to pupils.

Staff Commendations

Has a member of our talented team gone above and beyond to support your child this term? Has one of our hardworking staff members particularly impressed you? If so, we'd love to hear about it.

You can submit a commendation for any member of the team by clicking [here](#). Your encouraging feedback will be passed on and I know that it will be greatly appreciated.

This Wednesday, children across the school enjoyed a hearty Christmas dinner. Huge thanks are due to our amazing catering team who prepared and served almost 250 hot meals!

We wish you all a very merry Christmas and a happy New Year!
