2nd July 2021

Sports Days 2021

We hope that the children enjoyed their Sports Days this week. It was lovely to see them taking part in a range of sporting events and activities and we are thankful that the weather was kind enough to us throughout the week.

We've included in this week's newsletter, a few photos of children in action. For more photos, please see your child's class page on Class Dojo.

School Photographs

This week your child should have brought home a ticket containing information about how to order copies of their school photos. You can do this [online](#), using the QR code or Photo ID and Password on your child's card.

If your child did not bring home a card, please check their bookbag or get in touch with the class teacher. Individual autograph books for year six will be given out to pupils later in the term.

Children and staff enjoyed their Sports Day ice-creams this week!

For full details of the Milton Keynes International Festival, check out the website, [here](https://www.miltonkeynesfestival.org).

Summer Camp

Sporty Scholars will be running summer camp throughout the summer holidays at Tickford Park Primary School. Featuring a range of exciting and original activities, these camps cater for children in all year groups and can be booked online at the Sporty Scholars website, [here](https://www.sportyscholars.com).

For more information about these camps, please see the website above or contact Nick on 07877861112.
