

# Tickford Times

30<sup>th</sup> April 2021

## Living History!

How exciting it was to have Romans, Saxons and Greeks filling our school this week! Children in Years 3, 4 and 5 looked like they were having a lot of fun on their exciting history days and were talking about it enthusiastically on the way out of school. I hope that, if your child took part in one of these activities, they enjoyed the experience.

Year 4 Saxons in action.*

## Parent Consultations

Your children's class teachers are looking forward to meeting with you over the coming weeks to discuss how your child has been getting on in school, particularly since we fully reopened on 8<sup>th</sup> March. You can find the dates assigned to your child's class on last week's newsletter, which can be accessed [here](#).

For those of you who signed up for a Google Meet appointment, you may have noticed that you were not given an option of time slots. This was due to an error on the form, for which we apologise. Where it has been possible, we've referred back to your preferences from the Autumn term to make appointments.

If you have requested a consultation through Google Meet and would like to request a specific time slot (i.e. morning, afternoon, after-school, evening), please let your child's class teacher know. Similarly, if you receive an appointment time that you are not able to keep, please let the teacher know and they will reschedule for a mutually convenient time.

If you signed up for a parent-teacher consultation, you will receive your appointment either through Class Dojo, or from an automated e-mail. You will receive this at least 48 hours before the day of the appointment.

If you haven't signed up for an appointment but would like to do so, please be aware that the online form is now closed. Instead, please just drop a line to the class teacher who will be happy to arrange this with you.

*Children in Year 2 created some wonderful Aboriginal dot art.*

*Some of our Year 3 pupils received their certificates for 600 Dojo Points this week.*

## Polite Onsite

We ask parents to please refrain from arguing or shouting around the school grounds as it is important that we set a good example to the children within our community.

If you have a concern, please speak to a member of our senior leadership team and we will work with you to find a solution. Thank you!

## Parents Onsite

Some of you may be interested in a scheme, run by John Lewis, whereby shoppers can recycle empty containers from beauty products in exchange for money off vouchers, at the same time as helping the environment.

This year, they have also launched their Playground commitment. In partnership with global recycling experts, they will use the recycled beauty products to build and donate playgrounds for communities across the UK.

If you are interested, you can find out details of this scheme on the [John Lewis website](#).

## Bank Holiday Weekend

Don't forget, this Monday is a bank holiday and school will be closed. We look forward to seeing the children back in school on Tuesday morning and would like to take this opportunity to wish you all a pleasant long weekend and to thank you for your continued support.
