

# Mirror Mirror!

In English, we will be writing a variety of genres, for a variety of audiences. Our two key texts will be: *The true story of 3 little pigs* and *Hansel and Gretel* (by Anthony Browne). The children will 'twist' fairy tales and focus on their sentence structure and vocabulary. Each week, we will be continuing with our Grammar skills lessons and VIPERS reading lessons.

## Science: Mirror, mirror

The children will learn about the wonders of light, including reflections and shadows. We will explore how shadows change in size, notice how light is reflected from surfaces and play mirror games to understand how light behaves.

## Shadow puppets!

Linking our Science, English and DT learning, we will be writing shadow puppet stories, where a character grows and shrinks. We will then perform these to each other, using our shadow puppet theatres!

## Our key Maths learning:

**Symmetry**

**3 and 4 times tables**

**Multiplication**

**Division**

**Missing number calculations**

**Estimate answers**

**Multiply and divide by 8**

Our PE lessons will continue to be on **Tuesdays** and **Wednesdays**.

The lessons will be Gymnastics and Dance.

## RE

Our key question to explore: Is light a good symbol for celebration? The children will learn why some occasions are sacred to believers, and how people's beliefs about God impact on their lives. Our faiths and themes will include: Christianity, Judaism, Hindu, Advent, Diwali and Chanukah.

## Diversity Week! 15<sup>th</sup> November 2021

**Monday 15<sup>th</sup> November** - Odd socks day! Children can wear odd socks to school.

**Wednesday 17<sup>th</sup> November** - Multicultural Diversity. Children can wear clothes, or the colours, that represent their family culture or heritage.

**Friday 19<sup>th</sup> November** - Children in Need. Children can wear fancy dress to school!

## What can you do at home?

**Play TT Rockstars!**  
**Times tables practise**

**Science:**

<https://www.bbc.co.uk/bitesize/topics/zbssgk7/articles/z2s4xfr>

**Purple Mash:**

**\*English/ Grammar/ Early Birds**  
**\*Maths Games: Sequence Snake and Fraction Wall**
